

Ruthless Citation Generator Quick Start Guide

1. Install

Add the extension from the Chrome Web Store. The Ruthless Citation Generator icon appears in your toolbar.

2. Open a Case

Navigate to a case on Lexis or another supported case law database.

3. Generate

Click the toolbar icon to see a Bluebook-formatted citation. Edit fields if needed.

4. Copy

Click Copy Citation and paste directly into your document.

■■ *You're ready to cite ruthlessly fast.*
